Revenue Settlement Office,
Party No.III, Cuddapah.
Dated the 17th November 35.

F 4421

From

D.I.R.Muir Esquire I.C.S.,
Special Settlement Officer.

To

The Secretary to the Commissioners of
Land Revenue and Settlement,
Chepauk, Madras.

Sir,

Settlement - Resettlement - South Kanara - Conversions of part fields from dry to wet during the currency of Resettlement.

***

Reference:- My letter R.O.C.A2-3283-35-2 dated 8.11.35.

****

Since the submission of my letter read above, I have come across a case in which there is wet cultivation in a single survey field in four different places. The area covered by each of the plots is less than 20 cents; but their aggregate extent amounts to 44 cents. The question now arises whether wet assessment should be charged for the 44 cents or the entire field retained as dry, seeing that none of the 4 wet patches have an area of 20 cents. The limit of 20 cents was fixed with a view to avoid the creation of a large number of tiny subdivisions. Since the Government in their Order No.2040 Revenue dated 29.8.35 have directed that part fields converted from dry to wet in South Kanara district need not be separately subdivided, I presume there is no need to observe the minimum limit of 20 cents prescribed for such transfers. If the Resettlement notification is taken as the guiding rule, it seems clear that all wet cultivations in a given field irrespective of the extents should be assessed at wet rates. In other words this is a case in which the policy of dispensing with subdivisions actually affects the question of whether wet rates should or should not be collected from a part field. Now that the whole question is under - review, I request that this aspect may also be considered and -

early orders passed.

S.A.19.11.35.

For Special Settlement Officer.

Salt - Rents - (South Kanara)
conversions of fields from
dry to wet - grant of
remissions.

J.S.
A.S. (Salt).

—

D. 6. 64/36

—

To A.S. (Salt).

Please see the D.G.
from the Collector of South
Kanara at page 1 ante. It is
not clear on what point final orders
are required by the Collector.
In his D.G. d. 2-10-35 the Coll
referred to the difficulty wh
will be caused if B.S.O. 13 41
relating to grant of remi
remissions were amended as
first suggested by the Board.
He was therefore told in
Boards' D.G. d. 4-10-35
he might defer communicating
the instructions regarding
remissions on part-fields
contained in G.O. No. M.S. Rev.
d. 29-8-35 to his sub-ordinate
officers pending further
instructions. The Govt. wa

also addressed to drop the
question of amending the B.S.O. in view of the difficulty pointed
out by the Collector. Govt. accepted the Board's proposal & the
G.O. was communicated to the Coll. The Collectors
attention may therefore be drawn to this G.O.

It is not however clear whether the Coll refers also to the proposal regarding transfer of lands from dry to wet as the heading to this D.O. would indicate. On this question the Board has not yet finally ~~considered the matter~~ reached any decision pending the report called for from the Collector of Malabar also. For orders whether the Collector should be informed of this also.
